

GRACE

Means of our growth in grace; manifestation of our growth in grace

GATHERING AS A CHURCH

CORPORATE WORSHIP

We gather on Sundays to sing together, pray with one another, hear from God's Word, make corporate confession, and observe the Lord's Supper.

SERVING

We volunteer on Sunday mornings as a way of using our gifts and serving the body. Opportunities include set up, greeting, serving in children's ministry, participating on the music team, and much more.

RELATIONAL COMMUNITY

FAMILY GATHERINGS

Join us for our regular church-wide gatherings where we typically share a meal, spend time in fellowship, and devote ourselves to prayer.

PRAYER & CARE

The CrossWay Connections Facebook groups provide a place for us to stay connected, share prayer requests, and care for one another.

SMALL GROUPS

Our small groups are designed to provide a close-knit place for us to find encouragement, grow in relationship, and pray for one another.

MEN, WOMEN, YOUTH

The men's, women's, and youth ministries of CrossWay host events for the sake of fostering growth, accountability, and friendship.

APRENTICESHIP UNDER JESUS

TEXT GROUPS

Our Text Groups seek to help individuals become better readers of God's Word. We gather together to look at the upcoming sermon passage and improve our Bible study skills. Text Groups are available throughout the week, with one occasionally on Sundays at 8:45am, immediately before the service.

TRAINING SEMINARS

Part of our growth as Christians entails our development in Biblical understanding. Towards this end we offer classes that address subjects such as the gospel, doctrine, spiritual disciplines, how to read the Bible, evangelism, and more.

DISCIPLESHIP

We encourage members to complete our Personal Development Assessment and then meet with an elder to discuss their results and opportunities for growth. From there, we would love to get you connected in either a Mentoring relationship or a Growth Group (discipleship group).

COLLABORATION WITH PARTNERS

LOCAL MINISTRIES

Members are encouraged to serve with local ministries that aid the needs of our city. CrossWay partners with several such ministries.

GLOBAL MISSIONARIES

CrossWay supports its global missionaries through prayer, friendship, and finances as we seek to see the gospel spread and new churches planted.

EVANGELISM & MISSION

As believers, it is not only our responsibility but privilege to share the good news of Jesus Christ with those around us. As a church, we *gather* to behold God in his greatness, and then we *scatter* to display and declare His salvation to the surrounding world.
